VIII. GENERAL COUNSEL'S REPORT

- A. Karing Hearts Cardiology Cardiac PET Service, Johnson City (Washington County), TN — CN1311-046A
Request for a project cost overrun of \$133,421 (from \$391,585 to \$525,006), an increase of 34.1%. The cost overrun is due to the following reasons: 1) A decision was made to purchase the PET unit from its owner rather than to lease it, increasing the cost by \$109,214; and 2) Moving the equipment required unforeseen special transport measures which increased the cost by \$33,500.

This project was approved on February 26, 2014 for the acquisition of Cardiac PET equipment and the initiation of services (replacing CN1304-014A the previously approved, unimplemented and now surrendered CON). On June 30, 2014, this project was implemented and the service operational.
